Dear Ms. Lockwood:

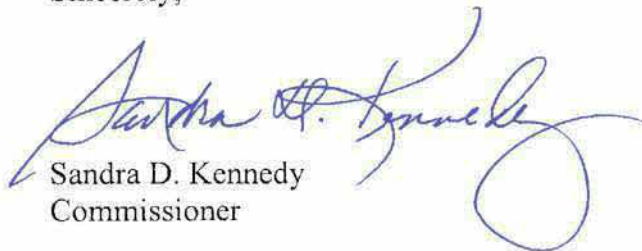

Thank you for the responses to my recent subpoena to Arizona Public Service Company ("APS") and Pinnacle West Capital Corporation ("Pinnacle West"). After a review of the documents provided, I noticed several of the responses were incomplete or missing. I have listed the requests below that require additional responses:

- The organizational chart illustrating the officers, directors and managers for APS that was provided is insufficient and incomplete, with some positions left blank. Please provide a completed version of the organizational chart.
- While a total amount of expenditures made by APS for lobbying expenses was provided, the response is incomplete because it did not indicate to whom the payment was made, the date of the payment, the amount of the payments and its purpose. Please provide the requested information for the requested time period.
- While a total amount of APS advertising expenditures was provided, the response did not include the nature, the amount, the date and the purpose of such expenditures. Please provide the requested information for the requested time period.
- With respect to the expenditures made by Pinnacle West to 501 (C)(3) organizations, the request asked for the date and the purpose of the contribution. That information was not provided. Please provide the requested information for the requested time period.

- While a list of expenditures made by Pinnacle West to 501(C)(4) organizations was provided, the response was incomplete. Please provide to whom the expenditure was made, the amount of the expenditure, and the reason for the expenditure for the requested time period.
- For marketing/advertising expenditures made by Pinnacle West, the requested information was not provided. Please indicate the nature of the expenditure, the amount, the date, and the purpose for the requested time period.
- There was no specific response to the following request: "Please describe any foundations or other entities (formed for charitable or other philanthropic purposes) that are related to APS and/or Pinnacle West. Please describe how these entities are funded. Please describe the arrangements governing the Foundation's use of APS's name or brand." Please provide a response.

Please provide these responses no later than May 13, 2019. I look forward to your response.

Sincerely,

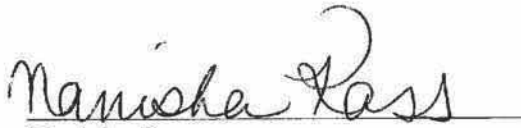

Sandra D. Kennedy  
Commissioner
